JA GIRLS' DREAM FAIR

A STEM EXPERIENCE

SPONSORSHIP OPPORTUNITIES

GRAND RAPIDS - LAKESHORE - BATTLE CREEK/KALAMAZOO - LANSING - UPPER PENINSULA

Spring of 2026

 **BOUNDLESS
POSSIBILITY®**

OUR PROGRAMS

Through partnerships with the business and education communities, we bring academics to life. By providing engaging, hands-on and experiential learning, students are equipped with the skillset and mindset to build thriving communities by owning their economic future.

OUR MISSION

JA inspires and prepares young people to succeed in a global economy. Our volunteer-based K-12 programs foster work readiness, entrepreneurship, and financial literacy skills by providing experiential learning to inspire kids to dream big and reach their full potential.

OUR APPROACH

JA's unique approach allows volunteers from the community to deliver our curriculum while sharing their education and career experiences with students. Embodying the heart of JA, our classroom volunteers transform the key concepts of our lessons into a message that connects and relates to the students personal development to empower them to make informed decisions about their career paths and education.

ABOUT THE EVENT

The JA Girls' Dream Fair: A STEM Experience is an inspirational and educational one-day event for middle school aged girls. Students will learn about STEM (science, technology, engineering, and math) opportunities and careers in high demand from presentations by local female professionals who work in a STEM career. Our goal is that self-esteem will be elevated and big career dreams will be developed.

Inspirational speakers will begin the program followed by a day of mentorship between students and female professionals who work in STEM related fields to show them the exciting possibilities for their future. Guided by the JA's *It's My Future*® curriculum, students will be encouraged to investigate, ask questions, and be inspired to consider STEM for their future.
