ABOUT JUNIOR ACHIEVEMENT

OUR MISSION

We envision a world where young people have the skillset and mindset to build thriving communities. Our K-12th grade programs are designed to be delivered by volunteers, fostering work-readiness, entrepreneurship, and financial literacy skills by using experiential learning both in the classroom and on-site at our state-of-the-art facility in Grand Rapids, MI.

OUR APPROACH

JA's unique approach allows volunteers from the community to deliver our curriculum while sharing their experiences with students. Embodying the heart of JA, our classroom volunteers transform the key concepts of our lessons into a message that inspires and empowers students to believe in themselves, showing them they can make a difference in the world.

THE JA MOVIE PREMIERE

JA Movie Premiere is a biannual family event that raises funds for local JA programs. Kids and their families attend a newly released movie while enjoying popcorn and other treats! JA adds to the excitement with door prizes, raffle baskets, and interactive trivia.

Sponsors of this outing not only provide critical funding for JA programs in the greater Grand Rapids area, but also allow businesses to express appreciation to their employees by gifting them tickets to this fun outing. There is also the option to donate the tickets (correlated with your giving level) back to students who may not have the means to afford this experience.
