2026 SPONSORSHIP OPPORTUNITIES

TITLE SPONSOR

OUR APPROACH

JA's unique approach facilitates volunteers from the community to deliver our proven curriculum while sharing their experiences with students. Embodying the heart of JA, these classroom volunteers transform the key concepts of our lessons into a message that inspires and empowers students to believe in themselves, showing them they can make a difference in the world.

Through partnerships with the business and education communities, we bring academics to life by creating real-world learning experiences. Together, we are transforming education to break down traditional barriers and give every student unparalleled connectivity to the business world, while fueling

OUR MISSION

We empower young people to own their economic success. Our volunteer-based K-12 programs foster work-readiness, entrepreneurship, and financial literacy skills by using experiential learning to equip them with the skillset and mindset to build thriving communities!
